Founding Editor

J. Nihoul, University of Liège, Liège, Belgium

Scope of the Journal

The *Journal of Marine Systems* provides a medium for interdisciplinary exchange between physical, chemical and biological oceanographers and marine geologists. The journal welcomes original research papers and review articles. Collections of papers arising from conferences or workshops can be published in special issues. Thematic issues and honorary issues are also welcome. Preference will be given to interdisciplinary approaches to marine systems.

Publication Information

Journal of Marine Systems (ISSN 0924-7963). For 2010 volumes 79–83 are scheduled for publication. Subscription prices are available upon request from the Publisher or from the Elsevier Customer Service Department nearest you or from this journal's website (<http://www.elsevier.com/locate/jmarsys>). Further information is available on this journal and other Elsevier products through Elsevier's website: (<http://www.elsevier.com>). Subscriptions are accepted on a prepaid basis only and are entered on a calendar year basis. Issues are sent by standard mail (surface within Europe, air delivery outside Europe). Priority rates are available upon request. Claims for missing issues should be made within six months of the date of dispatch.
